

# MEDWAY JAMIAH MASJID (KMWA)

RAMADAN KAREEM  
1438

## CONSTRUCTION APPEAL

Alhamdulillah, the establishment of the new masjid is shortly going to take place, we are now in a position to start the construction phase.

We have the funds to complete the foundation/piling work but are fundraising for the frame and basement work. The total we will need to complete this is at least £1.5 million.

Inshallah, we hope to raise around £125,000 during Ramadan towards this phase of the development.
